Refer one friend and get a reward of Rs. 2,000

Refer a friend to Nayatel and get rewarded with Rs. 2,000 for each successful referral. You can share up to 3 referrals each month, earning up to Rs. 6,000/month.

- 1. For availing this benefit you should be an NTL customer.**
- 2. Referrals must be verified within one month of submission via the portal or app. Any reward that is claimed after this period will be dismissed.**
- 3. Referral will only be applied after it has been verified by the new customer.**
- 4. Referral reward is valid on new hardware (ONT) installations only.**
- 5. You can refer up to 3 new customers per month, earning a reward of up to Rs. 6,000 monthly.**
- 6. Referral reward will be reimbursed only in the monthly invoice.**
- 7. Referrals will not be valid till the referred user's account is activated.**
- 8. Not applicable on 2nd, 3rd and 4th Ethernet port activation.**
- 9. Customer can only send the referral request to sales via email, phone, SMS, web lead, social media platform, or WhatsApp, prior to payment of the referred customer. Any request received afterwards will not be entertained.**
- 10. Referral rewards will not be issued for repeated or duplicate referral requests.**

- 11. Referrals that are declined for any reason are ineligible for rewards.**
- 12. The reward is not applicable to the referrals who use their own/used hardware, or have already signed up online.**
