

Nayatel Internet Pricing by Location

Effective from 2026-07-01 | Compiled 2026-08-10 | All prices in PKR, exclude government tax

Base Unlimited Internet and Triple Play prices cross-verified against propakistani.pk's Nayatel package listing and TechJuice's report on Nayatel's July 1, 2026 price revision. City-specific pages were used where available (Attock, Faisalabad, Gujranwala, Multan, Islamabad, Lahore); other coverage cities use the inferred national rate card as noted per-record.

Add-ons to further enhance your experience

Safe Web

Ensure a secure online experience with Safe Web, protecting you from harmful websites and

ensuring safe browsing.

SPEED-UP

Need an extra boost? With SPEED-UP, you can get an internet speed upgrade whenever you need it the most.

Is Nayatel available in my area?

To see if we're available in your location, you can check your area on our [coverage areas page](#).

How do I sign up for Nayatel's services?

You can sign up to our internet by yourself through online sign up. After checking if your area is available, you can select your preferred services, and our team will take care of the rest.

What makes Nayatel's fiber internet different from other providers?

Nayatel's fiber internet uses FTTH technology, offering unmatched speed, reliability, and performance. We pride ourselves on providing 24/7 dedicated support, ensuring a superior internet experience.

Are there any connection charges for upgrading or downgrading my internet package?

No, there are no additional connection charges for changing your internet package. Your new package will be billed on a pro rata basis.

What are the connection charges of Nayatel?

Nayatel's connection charges depend on your selected package, added services and location. For details about connection and hardware charges, visit our "Hardware" page or approach our sales team at 1441.

Can I upgrade my package after signing up?

Yes, you can easily upgrade your package at any time through your My Nayatel account or by contacting our customer support.
