Why Unlimited Bundle?

Dedicated speed

Up to 75 Mbps specifically allocated for your preferred social media and streaming platforms.

Unlimited data

No restrictions on data usage, ensuring you can stay connected without limits.

Affordable plans

Choose the plan that fits your usage and budget without compromising on speed or reliability.

Optimized for streaming and browsing

Our bundles are designed to provide the best possible experience for streaming videos, browsing social media, and using online communication tools.

What is the Unlimited Bundle?

The Unlimited Bundle offers dedicated bandwidth specifically for social media and streaming platforms like Netflix, YouTube, Facebook, Instagram, Google Play Store, Hangouts, and Google Drive, with unlimited data usage.

Is there a data cap on the Unlimited Bundle?

No, both Unlimited Bundle plans offer unlimited data usage, so you never have to worry about data caps or over usage charges.

What speeds are available with the Unlimited Bundle?

We offer two packages: Unlimited Bundle Plus with 50 Mbps and Unlimited Bundle Extreme with 75 Mbps.

What devices are supported by the Unlimited Bundle?

The Unlimited Bundle supports all devices that can connect to the internet, including smartphones, tablets, laptops, and smart TVs.

Can I switch between Unlimited Bundle plans?

Yes, you can upgrade or downgrade your plan at any time to better suit your needs.

How do I sign up for an Unlimited Bundle plan?

You can sign up to Unlimited Bundle through our customer portal or My Nayatel app. You can also subscribe by filling out the form below, or contact our team through call, WhatsApp, email, or SMS.

Will my speed be consistent throughout the day?

Yes, our Unlimited Bundle plans are designed to provide consistent speeds at all times, ensuring smooth browsing and streaming experiences.

How is the Unlimited Bundle different from other internet plans?

The Unlimited Bundle provides dedicated bandwidth for social media and streaming services, ensuring a consistent and fast connection without interference from other online activities.
