Why SPEED-UP?

Unlock speeds up to 500 Mbps

Experience one of the fastest internet speeds available in town.

Unlimited downloads & uploads

No more worrying about data caps.

Affordable rates

Get premium speeds without breaking the bank.

Easy control

Manage your speed effortlessly with My Nayatel App.

What is Nayatel SPEED-UP service?

SPEED-UP service allows you to temporarily boost your internet speed for a specified duration. This service is ideal for activities requiring higher bandwidth, like large downloads, video conferencing, or streaming.

How much does the SPEED-UP service cost?

The cost of the SPEED-UP service varies based on the selected speed and duration. Charges are added to your monthly bill.

In which areas is the SPEED-UP service available?

The SPEED-UP service is available in all cities. However, SPEED-UP Day 300 Mbps Package and SPEED-UP Night 500 Mbps Package is only available in Islamabad/Rawalpindi/Taxila, Faisalabad, and Peshawar.

Can I use the SPEED-UP service multiple times in a month?

Yes, you can use the SPEED-UP service multiple times within a month. However, the maximum SPEED-UP usage limit is 310 hours per month.

What are the available speed options for the SPEED-UP service?

The available speed options for the SPEED-UP Day Session include 30 Mbps, 50 Mbps, 70 Mbps, and 100 Mbps, while Night Session goes up to 500 Mbps. Weekend Plan is fixed and offers 100 Mbps over the weekend.

Does the SPEED-UP service affect my current data plan?

No, the SPEED-UP service is an add-on that temporarily increases your internet speed. Your existing data plan and its limits remain unchanged.

Can I cancel the SPEED-UP service once it is activated?

You can cancel a SPEED-UP session 15 minutes before it starts. However, once a session is activated, it will be charged accordingly and cannot be cancelled.

Who can avail the free 100 Mbps SPEED-UP trial session?

Users who have not used SPEED-UP before can avail a free 100 Mbps trial session for 12 hours. This free session is available once for eligible first-time users.

How can I activate SPEED-UP?

You can activate the SPEED-UP service through My Nayatel App or customer portal, or you can call our team at 1441.

What are the timings for SPEED-UP Night Sessions?

SPEED-UP Night Sessions are available from 12:00 AM to 9:00 AM. Users can subscribe after 12:00 AM; however, the session will end at 9:00 AM regardless of the subscription time. Full charges will apply.
